

Duffield Digest

Message from the Principal

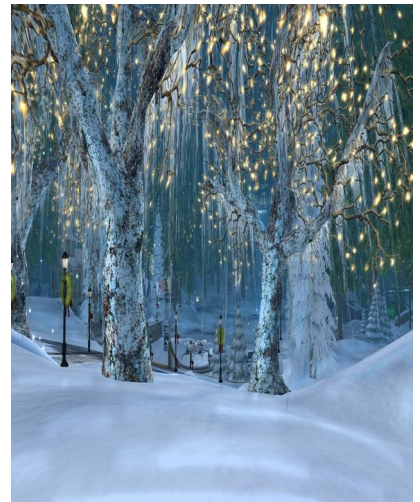

November has been a month full of wonderful things. As we visit classrooms we continue to see great things happening, for example guided reading, math problem-solving, writing, and music just to mention a few.

A huge thank you to our staff for preparing and organizing our Virtual Remembrance Day.

As we come upon December, please note that our grades 7-9 students have begun their at-home learning for the upcoming weeks. The provincial measures are important, and they impact many of our students, families, and staff. We are working to ensure that our students stay connected with our school community, staff, and friends during this time. Teachers have their google classrooms ready and g-meet schedules have been posted. If you have any questions or concerns, please contact your child's teacher or the office staff and we will try to answer any concerns that you might have.

Throughout the month of December we will have some spirit days, so please continue to check your email for upcoming events. Note that our last day of school before the Christmas break is December 17th, there will not be classes on December 18th.

Dianne Jewell
