

Duffield Digest

Dear Duffield Parents,

Happy New Year and welcome to 2021 at Duffield School! It is our hope that you were able to find ways to connect with those around you during this past holiday season and that you enjoyed the beautiful weather. We are hoping that the new year will look very different from 2020 and we wish you all the best.

The best news of the week is that it has been announced that students will be returning to school this upcoming Monday, January 11th. Our staff, students and parents have been doing their best to keep up with their at-home learning this past week. It is always a joy to join a Google Meet to see the faces of our students and to hear the stories about their holidays. However, with that being said, we are so looking forward to having our students back in school! To ensure our safe learning environment, students will be returning to school following the same COVID protocols that were seen before we left for the holidays. As we prepare to see what 2021 is in store for us, we will continue to try to meet the needs of our families.

We would like to also give a shout out to the support of our school community in regards to various initiatives and fundraisers this school year. During this time, parent volunteers continued to run fundraisers to raise funds for our school. We cannot thank you enough for all that you do for our school. Please know that the money raised from fundraisers goes back into supporting our Duffield students.

Dianne Jewell
