

## Parkland School Division

*Where the World Opens Up*

Duffield School

Accountability Pillar Summary Results Report

October 12, 2017 | For 2016 - 2017

## Background

**The Accountability Pillar surveys are administered annually during the months of January to March to:**

- Students in Grades 4, 7 and 10;
- Students in Grades 4 through 9 (small schools);
- Parents of students in Grades 4, 7 and 10;
- Teachers.

Students and teachers complete the surveys online at school, while parents receive a copy of the survey by mail and are asked to return the completed survey directly to Alberta Education. Student responses are grouped within the *Tell Them From Me* survey process. Responses are collected and tabulated into the summary chart released in May and are updated in October to supplement updated academic achievement results through the Provincial Achievement Tests (Grade 6 and 9) and the Diploma Examination results (Divisional and FNMI specific).

**The Accountability Pillar Summary includes several reports:**

- The School's overall summary
- The School's First Nations, Metis and Inuit (FNMI) Summary (if applicable)
- New results for all survey measures

Results for derived measures (Drop Out Rate, High School Completion Rate, Post-Secondary Transition Rate, Diploma Examination Participation Rate, Rutherford Eligibility Rate)

### Accountability Pillar Survey Responses

- Responses to the surveys were received from approximately 6 parents, down from 11 last year. Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 298 parents responded to the survey (the five-year average for parent responses is approximately 401).
- In Duffield School, approximately 54 students responded to the survey.
- In Parkland School Division, 3,932 students responded (1,530 in Grades 4-6; 1,129 in Grades 7-9; 1,273 in Grades 10-12).
- 19 teachers responded.

These are approximate numbers, as not every student answered every question.

### **Highlights and Celebrations**

- Duffield School's results were almost all above the Division average with the exception of two areas. We are very pleased with our results as they all showed an increase from last year.
- Literacy is still our focus, as we are implementing many strategies to improve our reading scores throughout the school. Teachers are using the Fountas & Pinnell program to assist students with increasing their reading ability.
- Provincial Achievement Test results continue to improve, with more subjects moving from the Acceptable Standard to Excellence. We are focusing on increasing our students' ability to problem-solve and to be innovative while showing creativity throughout the process.

### **Areas Requiring Strategic Planning**

Parkland School Division's Ultimate Goal is Student Success and Well-Being. The Board's Education Plan targets four strategic goals that contribute to the Ultimate Goal:

1. Inclusive Education
2. Quality Learning
3. Culture of Wellness
4. Universal Leadership

Our school's plan for education aligns to the Board's Education Plan.

- We are continuing to work with our students to assist them with regulating their anxiety levels. Past indicators suggest that some students still struggle with their overall ability to cope with daily activities.
- Our community identified the lack of fine arts and drama options as a small concern, so we are offering a broad range of drama and fine arts in our building for the 2017-2018 school year.

Academically Derived measures are also provided on our school webpage. These 2016-2017 measures include:

- Provincial Achievement Tests (Acceptable and Excellence)
- Diploma Examinations (Acceptable and Excellence)
- Participation Rate

## Measure by Measure – Survey Results for Duffield School

**A.1b Program of Studies Measure History:** Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.
