

Hello Families,

The students are really enjoying the beautiful weather outside and all of the fun that comes with spring. June brings with it such excitement and also many events to wrap up an amazing year together!

Registration for 2022-2023

We are still awaiting many registrations from our Duffield families. It is really important to complete the process as soon as possible so that I can place your child(ren) on a class list. If you need assistance with the registration process, please give the office a call and Ms. Shave can help you. If you and your family are planning to move from the Duffield area, please give me a call at the school and we can try to help with the transfer of registration.

Field Trips

With all students participating in field trips in the month of June, a gentle reminder that students will only be able to attend field trips if they pay for the trip in advance. If this will be difficult for your family, please give me a call at the school and we can discuss options.

Division Track Meet and Zone Track Meet

Our students should be applauded for their excellent performance at the Zone Track Meet held here at Duffield on May 24, and the elementary track meet held on May 25. We have several students continuing on to the Zone Track Meet on June 2 in Sherwood Park. Congratulations to all our athletes for their excellent performances and to all the adults who helped make this a success.

June 2022 Duffield Calendar of Events

Monday	Tuesday	Wednesday	Thursday	Friday
30	31	1	2 Grade 7/8 Field Trip	3

Indigenous Days	<p>On June 16 and June 17, we will have many opportunities for our students to participate in indigenous cultural events to honour National Indigenous Day on June 21. Students at Duffield School will enjoy bannock making, making rattles (K-3) and medicine bags (grade 4-9), and jig dancing. We are grateful to our partners from Treaty 6 and Treaty 8 for their guidance and teachings to help make this a memorable learning opportunity!</p>
------------------------	--

End of year celebrations	<ul style="list-style-type: none"> <input type="checkbox"/> We are looking forward to our grade 9 farewell on June 28 at 7:00 for invited family members! It will be great to send the students off to the high school with a special evening! We will also be providing lunch for our grade 9s on this day as well and then in the afternoon, our junior high students will be able to attend a dance in the gym. <input type="checkbox"/> We will be enjoying a wonderful year end Play Day for all students, K-9, sponsored by our leadership students. The events will be designed for K-5 students and then grade 6-9 students throughout the morning. We will also be providing all the students in our school with a BBQ hot dog lunch. I will provide more details about this fun day in the Duffield Drop, mid month. <input type="checkbox"/> On the last day of school, we will also be having a staff "Pie in the Face"
---------------------------------	--

contest in which we will be sharing tickets with students for excellent Duffield behaviour. When students receive tickets, they will be able to choose which staff member they would like to throw a pie at. It should be a very exciting way to end an amazing school year with the students.

PATS

Our grade 6 and grade 9 students have been working so hard to prepare for the upcoming Provincial Achievement Tests in Math, English Language Arts, Social Studies and Science. In May, the students completed the writing portion of the PATS and they will continue to complete the remainder of the exams between June 13-June 24. We appreciate all the support from our families to ensure students come prepared and well rested for the exams.

Sincerely,

Cherie Lovsund
