

DUFFIELD DIGEST

April 2023

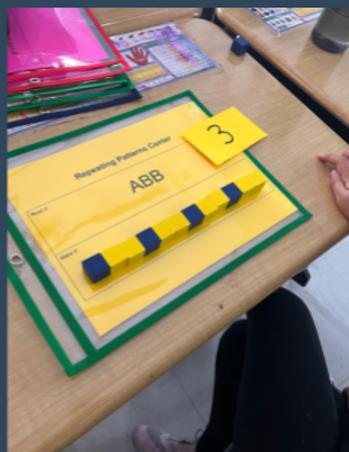

Hello Families,

I hope this April newsletter finds everyone rested after spring break and I hope you were able to find some time to have fun with family and friends! As we begin our third term of the school year, teachers and students will be actively involved in new projects, lots of fun, engaging learning activities, and thoughts about making the last three months meaningful and exciting.

IMPORTANT: Registration 2023-2024

Our registration for 2023-2024 has now closed. If you have not yet completed your registration for next year, please know that your completed registration is necessary in order to ensure your child has busing for the upcoming school year. Knowing who we have registered also helps us to build classes and it allows me to plan class configurations. If you need any support at all to complete the registration, please do not hesitate to call our office at 780-892-2644.

Marmot Basin Ski Trip

A huge thank you to our staff supervisors, Ms. Nesbitt, Ms. Enns, Ms. Freund, and Ms. Freund's mom, who supervised our students at Marmot Basin in Jasper the week before spring break. Also, a really big thank you to our students for being such wonderful citizens during the trip. Each student had a fabulous day of skiing/snowboarding and also connecting with friends. It was a great day!
