

Welcome Back!

We are so excited to welcome our students and families back to school today! The staff have been working hard to make the school bright, beautiful, and ready for learning but what has been most exciting is hearing the laughter and excitement of students walking through our doors!! We look forward to seeing our families at the Meet the Teacher evening on September 7 from 5-6:30 and also parents interested in coming to our School Council meetings! There will be a table set up on Thursday at the Meet the Teacher evening so you can learn more about how important this group is in our school.

September 7, 2023 5-6:30

Meet the Teacher

Join us at Duffield to meet your child's teacher, look through the classrooms, and enjoy an ice cream treat!

Our first School Council/Fundraising meeting will be September 19 at 6:00 at Duffield School. We will also share a link for parents who wish to attend virtually. We look forward to a large turnout so that we have many parent voices at the table!

There is a new bus status app that you can download to your phone. Please check the school division website to learn more about how to add the app to your phone.

As a school, we want to ensure all our students are safe. We have students/staff in our building who are allergic to nuts and also tuna. Please take time to read this important letter about not being able to have tuna, nuts or nut products in our school. Thank you!

Our first cross-country race is September 14 at Blueberry School. Please look for a letter coming home this week if your child is interested in participating in our cross country running season!
