Welcome to November at Duffield School!

Thank you!

We would like to take a moment to thank all of the families who attended our Parent-Teacher Interviews on October 25-26. So many positive messages came from teachers about the willingness of families to support their children at home and I also heard wonderful messages from parents about how great their children are feeling about the school year. The teachers put in so much extra time to support learning and also student wellness and I am grateful to have such a great connection between home and school!!

We are focusing on positive attendance trends in Parkland School Division and I want to thank families in advance for being so diligent about regular attendance and making sure students arrive on time. We know that the most important learning happens early in the day!
