

Duffield Drop April 17, 2024

This is National Volunteer Week and we are so incredibly grateful for all of the parents who share their time in classrooms, providing hot lunch, organizing special school events and fundraisers, and volunteering for field trips. We would not be able to give our children all these wonderful experiences without you. If you are able to join us on Friday, April 19 at 1:30, our staff and students would like to say THANK YOU!!!

I cannot believe we are into the last 10 weeks of school for the 2023-2024 school year. I would like to take a moment in this newsletter to thank all of our parent volunteers for taking so much of their time to make our first DPAC Movie Night a success. There was such positive feedback about the evening and it was great to have our community come together for a fun event! I would also like to thank Shelby Smigelski, our School Council President, and Jenna Stumbur, our amazing Junior High Math/Science teacher, for joining me at our Stakeholder Engagement for Education Planning for Parkland School Division. I appreciated that both took time from their busy schedules to share their thoughts about what their vision is for schools and education!!

Duffield School Hot Dog Day May 9, 2024

A huge thank you to our parent volunteers and also to our monthly sponsors. The monthly sponsors make a FREE hot dog day possible so thank you!

Our next School Council/ Fundraising meeting will be on April 25 from 6-7:00, in the school science lab, or online. We are hoping that some parents may come to the school for a parent-teacher interview and then stop by our meeting.

The Visual Arts Celebration, hosted this year at Memorial Composite High School, runs from Tuesday, April 23, 2024 to Wednesday, April 24, 2024, and is a showcase of the early years, middle years and senior high artwork from across the division that goes on display for students, parents and community members to view.

Don't miss out on the chance to check out the amazing creativity of the students at Parkland.

A huge thank you to Mrs. Satermo for organizing our school's art work and thank you to all of our very creative students whose art will be showcased at this event!
