April 7, 2025

Welcome to April!

I hope you and your children enjoyed an amazing spring break, away from the hustle and bustle of school! We are heading into our last term of the school year and that brings with it lots of fun activities, PAT preparation, and lots more learning!

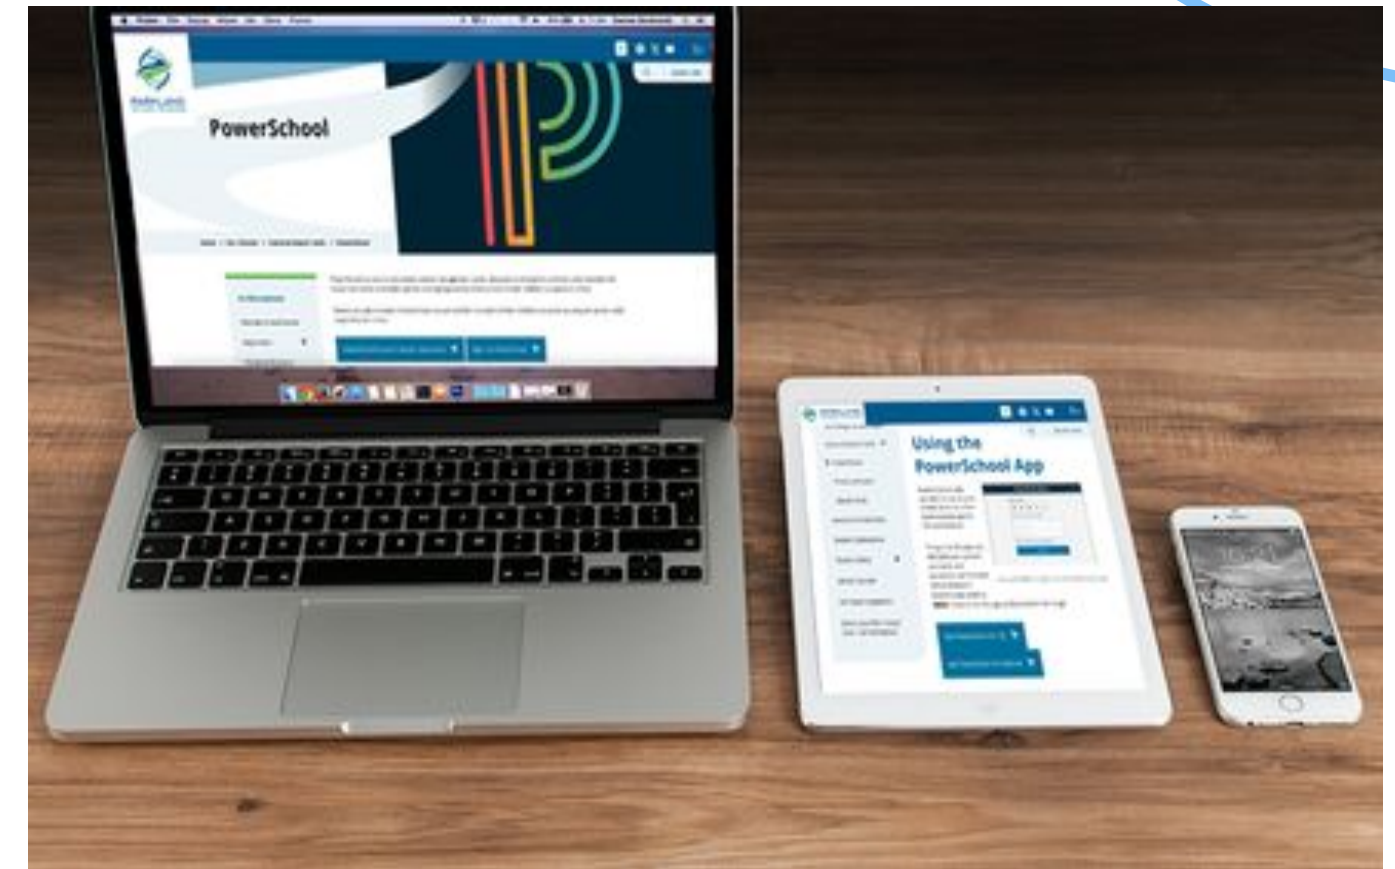

Enjoy a wonderful month and I look forward to connecting with you in the school!

2025-2026 Registration

Registration for the 2025-2026 school year has now closed. We do hope that if you have not yet had an opportunity to complete the registration (which is much simpler than in previous years) you will find some time to complete asap.

Completing registration is important for several reasons, busing being the most crucial. It also allows us to plan our classes for next year. It is important for us to know how many students we will have in each grade level so we can plan accordingly. Thank you so much for your help with this and if you need support, please call the office and our front end staff will be able to walk you through the process.
