March 17, 2025

May today be a very lucky day!

As we enter into the last two weeks before Spring Break, I hope our families are all adjusting to a bit more daylight at the end of the school/work day!

I also want to thank our families for your patience as we navigate our school with less staff during our strike with CUPE members. You have all been so kind and understanding and we continue to hope that the strike will end soon so that we can have our valuable and loved staff members back!!

# School Fees

As you know, it is the time of year in which we need to collect school fees! Our school website has a detailed description of fees, by Grade level, but I have also included the list below. I know that the amount of money needed to run our school activities seems a lot but know that we do what we can to minimize costs to our families. And know that in order to attend field trips and school cultural events, we do need these costs to have been paid in advance. If it is easier to pay the fees in smaller increments, our school secretary, Ms. Shave, can help you with the process. Thank you so much for paying your child's school fees for the year.
