Spring at Duffield!

I hope you and your children enjoyed a great Easter long weekend. I cannot believe we are heading into the last days of April! We have so many fun things happening at the school, with Duffield Sings, Drama classes, Track and Field, as well as school field trips and so much learning fun.

I would like to thank all of our parents for taking the time to attend our Parent-Teacher Interviews! The teachers love being able to share about your child's learning journey. Thank you also to all of our teachers for taking time to prepare for the interviews!

2025-2026 Registration

Registration for the 2025-2026 school year has now closed. We do hope that if you have not yet had an opportunity to complete the registration (which is much simpler than in previous years) you will find some time to complete asap.

Completing registration is important for several reasons, busing being the most crucial. It also allows us to plan our classes for next year. It is important for us to know how many students we will have in each grade level so we can plan accordingly. Thank you so much for your help with this and if you need support, please call the office and our front end staff will be able to walk you through the process.
