2025-2026 Registration

Registration for the 2025-2026 school year has now closed. We do hope that if you have not yet had an opportunity to complete the registration (which is much simpler than in previous years) you will find some time to complete asap.

Completing registration is important for several reasons, busing being the most crucial. It also allows us to plan our classes for next year. It is important for us to know how many students we will have in each grade level so we can plan accordingly. Thank you so much for your help with this and if you need support, please call the office and our front end staff will be able to walk you through the process.

School Fees

As we are quickly approaching our Field Trip season, please note that field trip fees must be paid before your child can attend a field trip. Please refer to your fee account for any unpaid fees.

Duffield School Fee Schedule 2024-2025

Please call the school office with any questions about school fees.
