

Good Afternoon

Today, Duffield School participated in the annual Terry Fox Run. The community support has been incredible for this event. At the time of writing this, you have helped the students raise \$1175!!! This far surpassed the goal of \$800. After the run today, students were able to enjoy a treat. Thank you again for your incredible generosity!

Hot Lunch

Today was also the first Hot Lunch of the year. Thanks to DPAC for continuing to support this initiative. As posted on our Duffield School Facebook page, all October orders will resume when students return to school. When known, an update with new dates will be posted and stated in an upcoming Weekly Update.

Sports News!

This week in Athletics, the Jr. Boys' Volleyball team picked up their second win of the season in their game against Graminia. Way to go Spartans! Meanwhile, the girls' teams faced tough losses in games against Copperhaven. Both teams played extremely well, each coming back from being down significantly. Both teams continue to get better every game!

In X-Country, the Spartans ran extremely well. Special congratulations to top 10 finishers: Lynden grade 1 (6th), Talia grade 1 (5th), Norah grade 1 (4th), and Arianna grade 1 (7th)!

Yesterday at Entwistle the X-Country had another great day. This week there were 3 Top 10 Finishers! Congratulations to Norah - Grade 1 (4th), Jude - Grade 1 (7th), Elias - Grade 6(10th). Great job Spartans! The next cross country race is Thursday, October 2nd at High Park.

Notices Sent Home

Your child(ren) should have brought home 2 notices over the past few days. The first notice is related to Remembrance Day and planning for this year's assembly. The 2nd notice pertains to the annual Christmas Auction. If you did not receive either of these, please contact the office for more information.

Picture Day

When school resumes, we will be updating parents on the set dates for school pictures.

Sincerely

John Tyler
Principal
